Professional Objective

Master Mariner with over 10 years of experience in the international merchant marine on oil tankers, gas carriers, jack-up barges and fast crew/supply vessels. Proven expertise in navigation, cargo operations, maritime safety, multicultural crew management and oil major inspections. Currently pursuing studies in computer programming and artificial intelligence, developing a dual technological skillset to drive innovation in the maritime sector. I am looking to leverage this operational and technological expertise to serve demanding maritime organizations.

Key Skills

- Communicate professionally in both of Canada's official languages (French and English).
 - Command and manage cargo operations on oil tankers, gas carriers and chemical tankers.
 - Prepare for and successfully complete SIRE inspections, vetting and Port State Control.
 - Lead multicultural crews and train junior officers.
 - Plan voyages and navigate all types of commercial vessels (3,000+ GT).
 - Manage emergency situations, SAR operations and shipboard safety.
 - Apply STCW, ISM, ISPS standards and HSE procedures.
 - Develop software solutions tailored to the needs of the maritime sector.
-

Professional Experience

Master and Pilot, Fast Crew/Supply Vessel, ICM Nautical, Cote d'Ivoire | Sept 2023 - Nov 2024

- Transport personnel and cargo between shore terminal and offshore oil fields (CNR, ENI).
- Ensure vessel maintenance and safety of crew, passengers and cargo.
- Enforce maritime regulations and company procedures.

Chief Mate, Jack-Up Barge SIANNA, Llyr Marine / Dixstone, Netherlands | May 2023 - Jul 2023

- Manage crew, accommodation and catering services as well as day-to-day unit operations, chartered by Perenco in Gabon.
- Ensure stability, ballast operations and maintenance of lifting appliances.
- Organize drills, training and familiarization for crew and clients.

Navigating Officer (OOW), LPG Carrier FREYCINET, GEOGAS / V. SHIP, France | Nov 2022 - Mar 2023

- Plan passages on a full ECDIS vessel trading between the Caribbean and the United States.
- Manage liquefied gas cargo operations, ballast transfer and stability during watch.
- Operate GMDSS communications and maintain nautical publications.

Chief Mate, Oil/Chemical Tanker MAYOURY, SOGESTRAN Group, France | Feb 2022 - Sep 2022

- Head the deck department and serve as deputy Ship Security Officer (SSO).
- Supervise all cargo operations: loading, discharging, tank cleaning, stability calculations.
- Manage inert gas system, ballast operations and maintenance of life-saving and firefighting equipment.
- Successfully complete a SIRE (vetting) inspection with CEPISA by coordinating crew and procedures.

Navigating / Safety Officer, SOGESTRAN Group & Channel Bunker Services, France | Feb 2020 - Feb 2022

- Stand bridge watch at sea and manage cargo operations in port.
- Manage ballast operations, stability and cargo handling calculator.
- Operate and maintain inert gas system, Framo and electric cargo pumps.

Navigating / Safety Officer, SEA-TANKERS Management, France | Mar 2015 - Jan 2018

- Navigate on oil tankers, chemical tankers and gas carriers (GRT 2,158 to 8,935).
- Plan passages on paper charts and full ECDIS vessels.
- Maintain firefighting and life-saving equipment (Safety Officer).
- Prepare for and participate in vetting inspections by Total Energy, Shell and CEPSA.

Deck Cadet, SEA-TANKERS Management, France | Jun 2013 - Feb 2015

- Assist the Master and officers in navigational duties, maintenance and safety drills.

(Full list of sea service and vessels available upon request)

Trading Areas

- Atlantic Ocean: west coast of Spain, Gulf of Guinea, West African ports, Central and Southern Africa.
- Mediterranean Sea: Alboran Sea, Strait of Gibraltar, Marseille, Spain, Algeria, Morocco.
- Caribbean Sea: Dominican Republic, Jamaica.
- Gulf of Mexico: USA (Houston Ship Channel, Galveston, Freeport).
- Offshore oil fields: Espoir, Baobab and Baleine (Cote d'Ivoire).

Education

Algonquin College, Ottawa, ON

Artificial Intelligence Software Development Sept 2026 - Apr 2027

Ontario College Graduate Certificate

College La Cite, Ottawa, ON

Diploma in Computer Programming May 2025 - Aug 2026

Cumulative Weighted GPA: 4.16

Regional Academy of Marine Sciences and Technologies, Abidjan, Cote d'Ivoire

Master Mariner (ships of any tonnage) April 2023

Dissertation: Maritime Medicine Applied to Merchant Ships

Regional Academy of Marine Sciences and Technologies, Abidjan, Cote d'Ivoire

Chief Mate (ships of any tonnage) Sept 2011

Marine Certificates (selection)

- Certificate of Competency as Master on ships of 3,000 GT or more.
- Marine Advanced First Aid - MAFA (Canada, August 2026).
- General Operator's Certificate (GMDSS).
- Certificate of Proficiency as Ship Security Officer (SSO).
- Advanced training certificates: oil tankers, chemical tankers and liquefied gas carriers.
- Bridge Resource Management (BRM) certificate.
- RADAR / ARPA certificate.
- Type-specific ECDIS certificates: Furuno, SAM Electronics, Sperry Marine, JRC.

- French Maritime Authorities endorsement (Chief Mate, OOW, GMDSS Operator).

(Full list of 25+ certificates available upon request)

Languages

- French: native speaker.
 - English: professional working proficiency (sole working language for over 10 years).
 - Marlins English Test for Seafarers: 80%.
 - Marlins Deck Operational Level: 97%.
-

Technology Project

Personal Project - HEDNAI | 2025 - Present

Ongoing project in the field of maritime technology and artificial intelligence.

- Research and design technology-driven solutions to address real-world maritime challenges.
 - Build web applications and software integrating modern technologies and artificial intelligence.
-

Awards & Distinctions

- Exceptional waiver from the French Maritime Authorities to serve as Chief Mate on a French-flagged vessel, a position normally restricted to EU nationals.
- 1st Prize, College La Cite Computer Science Challenge 2026 (ProfMatchAI, AI platform).
