## Master Mariner, Unlimited Tonnage

Oil, Chemical and Gas Tankers | Jack-Up Units | Fast Crew Supply Vessels

Ottawa, Ontario, Canada | [stephane@hednai.com](mailto:stephane@hednai.com) | [hednai.com](http://hednai.com)

---

### PROFESSIONAL PROFILE

---

Master Mariner (ships of any tonnage) with more than 10 years of experience in the merchant marine on oil and chemical tankers, gas carriers, jack-up units and fast crew supply vessels. Proven expertise in navigation, cargo operations, stability, operational safety, multicultural crew management and preparation for SIRE inspections and Port State Control. Fluent in both of Canada's official languages. Trained in computer programming and in artificial intelligence. I am looking to place this combined operational and technological expertise at the service of a shipowner or maritime organisation.

### CERTIFICATES OF COMPETENCY AND TRAINING (SELECTION)

---

- Certificate of Competency as Master on ships of 3,000 GT or more (STCW II/2, any tonnage).
- Leadership and Managerial Skills, management level (TP 15337, STCW A-II/2), Canada, September 2026.
- Restricted Operator Certificate, Maritime Commercial (ROC-MC), CFMU, Quebec, Sept. 2026.
- Marine Advanced First Aid, MAFA (Canada, August 2026).
- Liquid Cargo and Ballast Operations on Liquefied Gas Carriers (Novikontas Maritime College, Latvia).
- Ship Manoeuvring Simulator Training Certificate (École Nationale Supérieure Maritime, Marseille, France).
- General Operator's Certificate (GMDSS).
- Certificate of Proficiency as Ship Security Officer (SSO).
- Advanced training certificates: oil tankers, chemical tankers and liquefied gas carriers.
- Bridge Resource Management (BRM) certificate.
- RADAR / ARPA certificate.
- Type-specific ECDIS certificates: Furuno, SAM Electronics, Sperry Marine, JRC.
- Flag State endorsements issued by the French Maritime Administration: Chief Mate, Officer of the Watch and GMDSS Operator.

*Full list of certificates, more than 25, and validity dates available on request.*

Status in Canada: foreign maritime qualification assessment application filed with Transport Canada, Marine Safety. Canadian seafarer number obtained.

### KEY SKILLS

---

- Command and manage cargo operations on oil tankers, chemical tankers and gas carriers.
- Prepare for and successfully complete SIRE (vetting) inspections and Port State Control.
- Plan passages and conduct the navigation of commercial vessels of 3,000 GT and above.
- Lead multicultural crews and train junior officers.
- Supervise and assess deck personnel at management level (Leadership and Managerial Skills, TP 15337).
- Handle GMDSS distress and safety communications (ROC-MC, General Operator's Certificate).
- Manage emergencies, search and rescue operations and shipboard safety.

- Apply STCW, ISM and ISPS standards as well as health, safety and environment procedures.
- Communicate professionally in both of Canada's official languages.
- Develop software solutions tailored to the needs of the maritime sector.

## PROFESSIONAL EXPERIENCE

---

*Full record of sea service and vessels available on request.*

**Master, Fast Crew Supply Vessel, ICM Nautical, Côte d'Ivoire** Sept. 2023 - Nov. 2024

- Transport personnel and cargo between the shore terminal and offshore oil fields, clients CNR and ENI.
- Ensure vessel maintenance and the safety of crew, passengers and cargo.
- Enforce maritime regulations and company procedures.

**Chief Mate, Jack-Up Unit SIANNA, Llyr Marine / Dixstone, Netherlands** May 2023 - Jul. 2023

- Manage crew, accommodation and catering services as well as day-to-day operations of the unit, chartered by Perenco in Gabon.
- Ensure stability, ballast operations and maintenance of lifting appliances.
- Organize drills, training and familiarization for crew and clients.

**2<sup>nd</sup> Officer , LPG Carrier FREYCINET, GEOGAS / V.Ships, France** Nov. 2022 - Mar. 2023

- Plan passages between the Caribbean and the United States on a paperless, full ECDIS vessel.
- Manage liquefied gas cargo operations, ballast transfer and stability during the watch.
- Operate GMDSS communications and maintain nautical publications.

**Chief Mate, Oil and Chemical Tanker MAYOURY, SOGESTRAN Group, France** Feb. 2022 - Sept. 2022

- Head the deck department and act as deputy Ship Security Officer (SSO).
- Supervise all cargo operations: loading, discharging, tank cleaning and stability calculations.
- Manage the inert gas system, ballast operations and maintenance of life-saving and firefighting equipment.
- Prepare and coordinate a CEPSE SIRE (vetting) inspection with a favorable outcome: crew preparation, onboard documentation and procedures.

**Mate, SOGESTRAN Group and Channel Bunker Services, France** Sept. 2018 - Feb. 2022

- Stand bridge watch at sea and manage cargo operations in port.
- Manage ballast operations, stability and the cargo handling calculator.
- Operate and maintain the inert gas system, Framo and electric cargo pumps.

**Mariner Courses, Abidjan, Côte d'Ivoire** Jan. 2018 – Sept. 2022

- Complete the courses leading to the Master Mariner, ships of any tonnage.

**Mate, SEA-TANKERS Management, France** Mar. 2015 - Jan. 2018

- Serve on oil, chemical and gas tankers ranging from 2,158 to 8,935 GT.
- Plan passages on paper charts and on ECDIS-only vessels.
- Maintain firefighting and life-saving equipment as Safety Officer.
- Prepare for and take part in vetting inspections by TotalEnergies, Shell and CEPSE.

**Deck Cadet, SEA-TANKERS Management, France** Jun 2013 - Feb. 2015

- Assist the Master and officers in navigational duties, maintenance and safety drills.

*Full record of sea service and vessels available on request.*

## TRADING AREAS

---

International trading: Atlantic Ocean (west coast of Spain, Gulf of Guinea, West African ports, Central and Southern Africa), Mediterranean Sea (Alboran Sea, Strait of Gibraltar, Marseille, Spain, Algeria, Morocco), Caribbean Sea (Dominican Republic, Jamaica) and Gulf of Mexico (Houston Ship Channel, Galveston, Freeport). Offshore oil fields: Espoir, Baobab and Baleine, Côte d'Ivoire.

## EDUCATION

---

**Algonquin College, Ottawa, Ontario** Sept. 2026 - Apr. 2027  
*Ontario College Graduate Certificate, Artificial Intelligence Software Development, (in progress).*

**Collège La Cité, Ottawa, Ontario** May 2025 - Aug. 2026  
*Diploma in Computer Programming.*  
*Cumulative weighted GPA: 4.16 out of 4.3.*

**Regional Academy of Marine Sciences and Technologies, Abidjan, Côte d'Ivoire** April 2023  
*Master Mariner Diploma, ships of any tonnage.*  
*Dissertation: maritime medicine applied to merchant ships.*

**Regional Academy of Marine Sciences and Technologies, Abidjan, Côte d'Ivoire** September 2011  
*Mate Diploma, ships of any tonnage.*

## LANGUAGES

---

- French: native speaker.
- English: Professional proficiency, sole working language for more than 10 years at sea.
- Marlins English Test for Seafarers: 80%. Marlins Deck Operational Level: 97%.

## TECHNOLOGY PROJECT

---

**Founder and Developer, Hednai, Maritime Software | [hednai.com](https://hednai.com)** 2025 - Present

- Design FleetLog, an offline-first fleet management application for small shipping companies: vessels, certificates, planned maintenance and crew records.
- Build RadioCom, a VHF communication simulator based on the IMO Standard Marine Communication Phrases, used to train cadets and prepare radio certification.
- Draw on more than 10 years at sea to identify operational pain points and shape the products built.

## AWARDS AND DISTINCTIONS

---

- Exceptional waiver from the French Maritime Administration to serve as Chief Mate on a French-flagged vessel, a position normally restricted to EU nationals.
- 1st Prize, Collège La Cité Computer Science Challenge 2026, ProfMatchAI, an artificial intelligence platform.
